AN APOLOGY.

THE PROSECUTION OF THE OPIUM FARMER.

BEG to express through your columns my deep regret that I should in " Frejr, for Hoihow. hasty moment, in consequence of my not

being able to read or understand Chinese accounts, have commenced a prosecution against Mr. KOH CHENG SEAN, the entire voyage. A duly qualified Surgeon is ohlef manager of the late Oplum Farm, with reference to the funds of the CHEANG TEK KONG SEE. A complets investigation into the matter and careful examination of the books an accounts have thoroughly convinced me that my suspicions were wholly groundless, and that there has been nothing whatever in Mr. KOH CHENG SEAN'S been doing his best, honestly and faithful ly, for the bonefit of the OHEANG TEK

> KONG SEE I should be obliged if you would insert this letter in your correspendence column once, and afterwards as an advertisement for the period of one month, as I am anxious to undo as far as possible any inury I may have through my heaty and unjustifiable action, inflicted upon Mr. KOH CHENG SEAN. Yours truly,

OH TEK LEONG. Hongkong, March 22, 1892.

collection amounted to \$30.

From the returns of trade for the year 1801. Issued by the Imperial Maritime Contours, it appears that the value of foreign trade in China has risen from Ilk. 234,000,000 in 1891, this being the highest to \$331,663.989. There is slee a special total over recorded. In imports and exports, the report states, trade has been equally active, the large increase noticeable under THE Shanghai Mercury's Bout correspondent each division affording avidence of a general growth of commerce and a marked expansion of business at mearly all the tack over the collection of 1890.

the acquisition of the Ohinese language has been discovered. He says that a gentle rived, to relieve Mr Grouchetaky. man, whom he describes as somewhat of a Chinese phenomenon, has after twenty years of study evolved a momory system Yosen Kaisha fleet will have beard with by means of which all the characters in the deep regret the news of his death, which Chinese language can be learned in a mu wellously short time. The system itself, the service of the old Mitsu Bishi and the aging reply. says the correspondent, can be required in Nippon Yusen Kaisha for many years, and ton days and will be taught to an individual or to a class of ten for the sum of 20 taels. Somewhat of a Chinese phenomenon indeed !

swept away by one of the first shots. The pirates however made good use of their time and beached the junk before the Chento's men could come up with her. crew jumped into the water and ran for the bills on the island. After their first volley but little attempt at defence was made, while the boats from the Chen-to soon spproached and boarded the junk. It was a confused and in many respects a ludicrous scene that followed, some were rushing wildly up the shore turning to fire an occasional volley, while random shots from behind rocks and shrubs fell wide of their mark. Around the junk were seen many struggling in the water, some wounded

some dying, some swimming about with bankets over their heads. As the crew of the Chen-to boarded the unk, the Chinese marines began to threw the dead and wounded overboard until they were stopped by the officers who threatened to shoot them if they persisted in such inhuman conduct. One poor wretch who had been struck on the shoulder by a common ball was thrown into the water, when the second officer seized the man who had thrown him everboard and said sternly. What for you do that ? You no save

that man. I makes shoot you. The man was rescued but did not show much gratitude. Searcely able to move, he managed to push himself to the open halch and, having secured a lighted incense stick, rolled himself toto the hold where twenty casks of powder were stowed. One of these had the end off thad the mee and toward this the wounded man was painfully, but surely, working his way, and was about to thrust the lighted incense into the open powder when his intention was seen and his arm selzed. An instant more and the vessel with all it contained would have been mercy, while he swere at his captors who This latter allegation, we believe, is mor had stepped between him and his you- specific than we have been able to express geauce. THE MASON AFFAIR. We have received lutelligence from the north, says the N. C. Daily News, that the dissatisfaction of the Tsungli Yamen with the proceedings in the Mason case and with the sentence on the accused is so great that the Ministers have addressed. or are about to address, a strong representation to the British Government on the subject. The position of the Yamen is understood to be that in the first place Mason was indicted for the least serious under the circumstances, namely, under of energy may be necessary by and by have not been touched. I agree with tay Section 4 of the Explosive Substances Act | which may break the lever into splinters friend that the three firms have had more of 1888, for having possession of an explosive under suspicions circumstances: whereas he should, the advisers to the Yamen say, have been indicted under recent promotion to the highest decora-Section 3 for keeping an explosive with intent to endanger life or property. It is also said he ought to have been indicted under the provisions of the Treaty and the Foreign Enlistment Act, and that the punishment even of the offence to which he pleaded guilty was unduly lenient. The punishment in the act is ponal servitude not exceeding fourteen years or imprisonment not exceeding two years. The Yamen is understood to complain that there ought to have been a thorough investigation into Mason's connection with Secret Societies; into the purposes for which he

enlisted a large number of men in Hongkops, and into other curious and unexplained features of the case; and the Ministers intend to demand that at the expiration of his present term of imprisonmont Mason shall be put on his trial in Hongkong for some of all of the other offences of which he le alleged to be guilty. It is said also that the Ministers of the Yamen allego that sympathy with the Secret Societies translated into overt acts schools in Wachang are apparently more somewhat similar to those of Mason would blown into fragments. The man was hojet. on due enquiry be found amongst to the drok with more speed than foreigners in Shanghal and elsewhere.

comment on this information beyond say. The junk was secured as a prize and the ing that the dissatisfaction of the Chinese pirates pursued, twenty-seven of whom with the sentence on Mason is well-known, were captured that day. Some escaped by and that there probably never has been a hiding under the prickly cactus in an old case tried in a Consular Court in China, in water-course, but on the following day which Chinese feeling was in any degree were driven from this shelter. This testimony my friend, it is quite clear that a real was known in ancient days as a sort pressure has been brought to bear upon the Hunan, is equivalent to the universal de- authorities in Ch'angeha As a result, Chou claration of the Hananese determination | Han and the official elique at the to resist soy outside aggression at the which he stands have been sowed and point of the sword.

the difficulties of the Viceroy. If popular | Ch'angelia, is very different to-day from sentiment oppose on the one hand and what it was this day last year. This is a imperial likin runners retort on the other, result for which I feel devoutly thankful the position of Chang Chih-tung is not Some of us have laboured hard in the effort enviable. It is understood that he now to bring the evil into the light, We have declares his inability to do anything fur- not found the task a congenial one by any ther in punishment or restraint. Our means. But we have the joy to-day of strong impression is that our Vicercy is knowing that we have not been Isbouring strong enough and proud enough to over- in vain.

with huge catastrophe. That the Vicercy is still in high favour let them go. in Peking is proved not only by his own tion, but by the bestowal last month of a second rank button on Mr. Ts'ai. energetic and capable First Secretary. Tstal has a difficult post to fill, for his Viceregal muster is imporious and lacks proportion in his desires.. In a thoroughly Chinese way he manages to satisfy Chang Chib tung and to keep his schemes of improvement in progress. In the swirl of conflicting influences, a foreign manager would probably wreck the whole enterprises by a more rigid adherence to western ideas perfection. The sympathising onlooker. while conscious that he would alter some things, and while believing that he would himself do things more thoroughly, yet rejoices at what is accomplished, and ad mires the finesse of the polished mandarin who steers so skilfully between the Soylla of Viceregal ambitions Impatience and the Charybdia of Western insistence on

Meanwhile, riots or no riots, Hunan scarrility rampant or quiescent. Western flourishing than over before. A new outlet is opened in the crowded labour market. One cause of this recent growth in the desire for the language and knowledge of the west is mirrored accurately in the Mr John A. Cornish Miss Roberts houset confession of a father who recently Capt. A. Croalbrought his boy to the Wuchang High Mr D. D. Cursetjoo School. I do not deceive my venerable Mr S. Daniel eider brother; I have known of his honour. Mr D. Davidson able school fer years, and three years ago I | Mrs Farmer thought of bringing him my insignificant | Mr Fenning child. But I thought then be might be Mr Walter Harland able to study my mean country's books Mr Morton Jones Now I see he can't, so I bring him to beg Mr E. B. Jorey my elder brother's instruction in the books Mr H. B. Laverra the mighty West. Deign to remove his ignerance. We continue thus to delgn, in hope the ignerance may be re-

THE HUNAN QUESTION. Dr Griffith John, in a letter to the N.-C. We do not imagine that any foreigners Foreign literature has been suppressed. He says :- During the more than thirty years

Li hung chang and the other officers of roll of our church members, and among both, 750 pkgs. Tes. I pkgs. Merchandise. them are some of the finest specimens of daily services in unqually large numbers. I do not know to what this is to be ascribed, unless it be to the reaction that is Experience has, unfortunately it may the Vicercy of these two provinces. Of be, taught us that the excuses of the the existence of this reaction I have two Tsungli Yamen, when it is asked to take proofs to give. On the 4th instant, two some course that is distanteful to it, must Changaba men, very respectable in their not be accepted without a vary mearching general app grance, were present at the
